Hybrid Program

Reinforcement of the lessons should happen on the weeks we do not have class by watching the videos online using this link: <https://www.dynamiccatholic.com/plus/blessed/first-communion-7-1.html>

The program is meant to encourage parents to continue to be the primary formators of their children's faith. The best instruction is by modeling the faith through daily prayer (focusing on the Act of Contrition this year and examining one's conscience), Sunday Mass attendance and regular family use of the Sacrament of Reconciliation (once monthly is recommended). Even if your children cannot yet receive, they will gain confidence and faith that Confession is not to be feared but is a sure way to experience God's mercy and grow in virtue and holiness.

Concerning our faith: God commanded us to teach it to our children; that the next generation might know it, that they may rise up and teach their children, so that they should set their hope in God, and not forget His works. Ps. 78: 5-7
