Hybrid Program

The lessons not completed in class should be covered by parents at home during that week, at your discretion. The program is meant to encourage parents to continue to be the primary formators of their children's faith. Choose 1 or 2 activities from the lesson to cover with your family. The lessons remaining after we complete classes for the year can be covered as part of your family prayer time.

Concerning our faith: God commanded us to teach it to our children; that the next generation might know it, that they may rise up and teach their children, so that they should set their hope in God, and not forget His works. Ps. 78: 5-7
